Re: 823 Manning Ave.

Hello,

I am writing to inquire about your property at 823 Manning Ave. I am an architect and would potentially be interested in acquiring your property for residential purposes. I am aware that many congregations are facing pressure due to the high repair requirements of an older building. I am not sure what your plans are for the congregation but depending on your requirements we would be able to assist you in relocating to another facility that better meets your needs. Would you be interested in discussing selling your properties at 823 Manning Ave.? If so, please contact me by phone at **416.929.5264 x201** or email at **alex@build-green.com** to discuss further.

I look forward to hearing from you.

Thank you.

Yours truly,

Alex Speigel
